

Helping the Committee

CEO

Though they don't know it yet, the Bonus Committee met at my house last night and okayed doubling last year's individual totals. Handle it! Except for the two newer VPs. Give them mil each. I thought this decision should be made prior to the Government takeover. Relieve them of it--a favor.

ASSISTANT

So the virtual committee strolled up that lovely walk flanked by hostas.

CEO

By what?

ASSISTANT

Hostas, a flower.

CEO

I don't know one fuckin one from the other. We hire a spick.
